Quotes from the President and the Vice Chancellor

“As an institution, we start this academic year in position of immense strength. The last academic year presented us with unique set of challenges, what I am most proud of is that we not only just overcame these challenges as a well-knit team but rather converted these challenges into opportunities to showcase our strength and resilience to most important stakeholders while all along building our capacity at the grassroots level.”

Mr. Imran Khan
CUCA President

“I assure you that our main objective and vision at CUCA is to offer the highest quality of education in our academic programs to enable our students to compete efficiently and effectively.”

Dr. Mohamed Amerah
CUCA Vice Chancellor
