Message from the Chairman

The success of the higher education sector that we are witnessing in the United Arab Emirates is possible through the enduring support and guidance of our national leadership who continuously strives for excellence in education and places the highest institutional principles to ensure the UAE remains a hub for world-class higher education. Under the inspiring leadership of His Highness Sheikh Humaid bin Rashid Al Nuaimi, Ruler of Ajman and Member of the UAE Supreme Council, Ajman has aligned itself with UAE's vision to build a generation of leaders and pioneers who aspire excellence, research, and innovation; this has allowed the Emirate of Ajman to transform to an educational hub. CUA is dedicated to academic excellence and to developing leaders across disciplines who make a positive contribution to their community. It equips youth with the

knowledge and skills required for success in their personal and professional lives by providing a transformative educational experience where creativity, research, entrepreneurship, and innovation can be fostered. Our commitment to academic excellence at CUA declares that education is the base for human development and the advancement of our nation.

H.H. Sheikh Rashid bin Humaid Al Nuaimi
Chairman of the Board of Trustees

Message from the President

The vision of the City University Ajman is to become a distinguished, comprehensive university at the local, global, and international level. The provision of high-quality education is at the heart of this vision.

We seek academic excellence in all of our endeavors. Our major strength lies in a strong team of highly qualified faculty and dedicated administration to deliver high-quality education that is modern and interfaced with the job market. The latest technologies are employed for effective delivery and the curriculum emphasizes practice and implementation learning in its entire curriculum.

CUA holds a diverse student and faculty body, with over 50 nationalities represented on campus. We form alliances with highly reputed local and international organizations. We strive to incorporate a global perspective

in all of our academic programs and activities to prepare our students for success in a rapidly changing global environment.

With a focus on excellence and leadership in education, we are committed to providing our students with a comprehensive learning environment that is forward-thinking, academically stimulating, and culturally enriching. There is a continued emphasis on enhancing student learning at CUA. Experiential learning, active learning, and integrated learning are some of the approaches that are taking students beyond the four walls of a classroom into a creative learning domain.

As a futuristic institution, we foster research and innovation at various levels. While faculty research is at the forefront of institutional priority, support for students has become an organic process. Integrating research into the teaching and learning process, while promoting innovation through special initiatives continues to engage students. As agents of research and innovation the students and faculty at CUA will undoubtedly contribute to the UAE's national vision. Specifically, by aligning its goals with the UAE's national vision for higher education, CUA continues to play a pivotal role in contributing to the nation's broader objectives of economic diversification, global competitiveness, and sustainable development.

To engage and support faculty, students, and the community, CUA stands on an excellent institutional governance infrastructure that effectively operationalizes academic and administrative processes. The embedded quality assurance, risk management, and integrated accountability mechanisms the governance process maintains its efficiency.

City University Ajman maintains a multidimensional 360 degrees view that is holistic as it achieves its vision.

Mr. Imran Khan
President

College of Dentistry

- Bachelor of Dental Surgery
- Dental Internship Program

The College of Dentistry at City University Ajman (CUA) plays a pivotal role in shaping future dental professionals who are equipped with the knowledge, skills, and ethical values necessary to serve their communities with compassion and integrity. The college offers two distinctive programs:

- **Bachelor of Dental Surgery (BDS):**

A comprehensive five-year undergraduate program delivered in English, designed to produce highly competent general dentists. The program combines foundational scientific knowledge, hands-on clinical training, and ethical practice, preparing graduates to deliver a wide range of dental services. The BDS program significantly contributes to raising oral healthcare standards and addressing the growing need for skilled dental practitioners in the region.

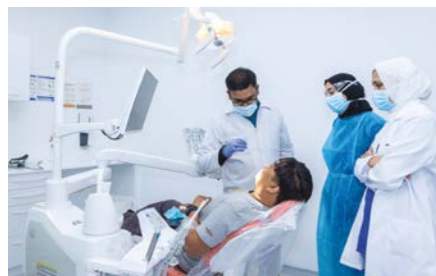

- **Dental Internship Program:**

A structured, supervised training program tailored for BDS graduates, aimed at refining their clinical competencies, enhancing their professional preparedness, and facilitating a smooth transition into independent dental practice. This program underscores CUA's commitment to lifelong learning and ensures graduates are well-equipped to meet real-world challenges in dental healthcare.

Apply by following the below steps:

Sports

By participating in these events, students enhance their physical fitness, build meaningful social connections, and cultivate leadership skills. City University Ajman (CUA) is dedicated to promoting a balanced lifestyle by encouraging students to integrate physical well-being into their academic and personal lives.

Academic and Co-Curricular Activities

At City University Ajman (CUA), students have the opportunity to participate in a variety of workshops, seminars, and competitions that complement classroom learning and enrich their overall academic experience. These events are designed to provide practical knowledge and hands-on experience in their respective fields of study. Workshops offer in-depth sessions on specialized topics, enabling students to deepen their understanding, develop problem-solving skills, and build confidence in their ability to navigate complex challenges.

Community Service

At City University Ajman (CUA), we believe in the importance of giving back to society and making a meaningful impact within the community. Through our outreach programs and volunteering opportunities, students are encouraged to actively participate in a variety of social causes and provide support to those in need.

These initiatives foster close collaboration with local organizations, schools, and community groups, enabling students to contribute effectively in areas such as education, healthcare, environmental sustainability, and social justice.

On-Campus Experiences

At City University Ajman (CUA), students are invited to enjoy a vibrant campus life enriched with a diverse range of cultural, educational, and recreational events that celebrate creativity and multiculturalism. Throughout the year, the university hosts numerous activities that provide students with opportunities to engage in events showcasing various cultures, traditions, and artistic expressions. From international festivals and cultural showcases to art exhibitions, music performances, and theater productions, there is something for everyone to enjoy and participate in.

Student Trips

At City University Ajman (CUA), we offer a variety of local and international trips designed to enhance cultural understanding and provide students with unique educational experiences. These trips allow students to explore new environments, immerse themselves in diverse cultures, and engage with different communities, thereby broadening their perspectives beyond the classroom. Whether it's a local excursion to nearby cultural sites or an international journey, these experiences enrich students' learning and personal growth.

CUA Ambassadors

Meet our CUA Ambassadors—exceptional students who proudly represent City University Ajman across a variety of campaigns, events, and initiatives. These student leaders are carefully chosen for their dedication, enthusiasm, and embodiment of the university's core values. Through their efforts, they highlight the vibrant, diverse, and dynamic community at CUA, showcasing not only academic excellence but also the strong spirit of camaraderie and passion that defines campus life.

Alumni Testimonials
